
Title: Greetings, Wanderer

Author: Ceinwyn Ab'Arawn

Are you tired of the
"good guys" always
winning? Have you ever
been drawn to the
unusual and bizarre? Do
you want to study
necromancy in peace?
Maybe you have a keen
interest in old lore? Is
the harsh light of the
sun too hard on your
dark-accustomed eyes?

The Realm of Umbra is
the perfect place for
you.
Based in Umbra, South
Malas, Realm of Umbra is
a role-playing guild
inclined to darkness and
evil. We are seeking
warriors, mages, crafters,
tamers, any class or skill
to help the realm prosper
and rise to the glory it
rightfully deserves.

Join and help us build our
realm and protect it
from any of the so-called
"Virtuous" crusaders.
Become one of our family
and gloat in the faces of
the righteous, as we
prove to them that in
these lands, good is
subject to perspective
and does not always
prevail, and that beauty
is, indeed, in the eye of
the beholder.

There will be PVM for
hunting and PVP, when we
are called upon to do
battle with those who
would threaten our realm.

Role-playing is a requirement. If you never have role-played, but are interested, we will assist you. If you would like to learn more, send a message to ICQ#96750049.
